Description: Princess Irene lives in a castle in a wild and lonely mountainous region. One day she discovers a steep and winding stairway leading to a bewildering labyrinth of unused passages with closed doors - and a further stairway. What lies at the top? Can the ring the princess is given protect her against the lurking menace of the boglins from under the mountain?...

Review: A reader can never go wrong with George MacDonald, as I discovered in childhood with my marvellous discovery of *At the Back of the North Wind*. There are some similarities is *The Princess and the Goblin*....Princess Irene's great-great-etc. grandmother facilitates powers for the good, sometimes (not always) not seeming so pleasant when they occur....
